Opportunity for Sponsors

Boozhoo (Hello),

I am excited to announce that the 2025 national NANAINA conference will be held in Anchorage, AK on the Alaska Native Health Campus (ANHC) in Southcentral Foundation's (SCF) Nuka Learning & Wellness Center, July 28 – July 30, 2025. This year's conference theme is Honoring Our Roots, Shaping the Future: Evolving Healthcare Through Tradition and Innovation. Conference information can be found at <https://nanaina.org/>

On behalf of NANAINA, we invite you to our conference and request support from your organization through sponsorship. Below is the attached sponsorship form that provides details on sponsorship levels that are right for your organization.

NANAINA's mission is to advocate for the health and well-being of American Indian/Alaska Native (AI/AN) people, Tribal Nations, communities, and their members. We strive to identify health service delivery barriers to AI/AN consumers as well as promote and support culturally sensitive models of nursing interventions. We determine barriers to quality education for AI/AN nurses and nursing students and recommend appropriate solutions to local, state and federal agencies.

We welcome the opportunity to partner with your organization and collaborate on projects that meet NANAINA's mission and purpose. We believe strong partnerships are the key to success for any organization. Working together to improve the health and well-being of AI/AN people starts by gathering the stakeholders. We hope that you consider sponsoring at our conference as well as attending so that you can share your expertise and establish a collaborative partnership to benefit the communities we serve.

We sincerely thank you for your consideration and look forward to hearing from you soon. Miigwetch (Thank you)!
