

National Alaska Native American Indian Nurses Association

Boozhoo (Hello),

I am happy to announce our upcoming national conference at SCF Nuka Learning & Wellness Center, Anchorage, AK, July 28 - 30, 2025. This year's conference theme is "Honoring our Roots, Shaping the future: Evolving healthcare through tradition and Innovation".

On behalf of NANAINA, I would like to invite you to our conference and request support from your organization through sponsorship, a vendor booth, a silent auction item donation, and/or door prizes. Please see the attached sponsorship form that provides details on the sponsorship levels to find the level of giving that's right for your organization.

NANAINA's mission is to advocate for the health and well-being of American Indian/Alaska Native (AI/AN) people and communities. We strive to identify health service delivery barriers to AI/AN consumers as well as promote and support culturally sensitive models of nursing interventions. We determine barriers to quality education for AI/AN nurses and nursing students and recommend appropriate solutions to local, state and federal agencies.

We welcome the opportunity to partner with your organization and collaborate on projects that meet NANAINA's mission and purpose. We believe strong partnerships are the key to success for any organization. Working together to improve the health and well-being of American Indian/Alaska Native people starts by gathering the stakeholders. We hope that you consider not only sponsoring our conference but also attending to share your expertise and establish a collaborative partnership to benefit the communities we serve.

I sincerely thank you for your consideration and I look forward to hearing from you soon.

Miigwetch (Thank you)!

Respectfully,

Sadie Anderson, MSN, RN
Lac du Flambeau Ojibwe
NANAINA President
Nursing Director, Medsurg
Alaska Native Medical Center
